### CHURCH CODE OF CONDUCT SURVEY

The Church Code of Conduct is an essential document used throughout the motu to support employees and volunteers in understanding expectations for their behaviour. It guides how we work, serve, and care for one another.

The National Office for Professional Standards are extending the timeframe on this survey to ask everyone in the Church - what in our Code of Conduct works well, and what could be strengthened?

Please share your perspectives via our brief online survey whether you are familiar with the Code or not. We also encourage you to share this invitation with others.

You can read the existing document, link and complete the simple survey on the NOPS Reviews page: [safeguarding.catholic.org.nz/reviews](https://safeguarding.catholic.org.nz/reviews)
